

# Casting a net for the global seafood industry

Looking for seafood related products and services?

www.fishthenet.net is your one stop international seafood directory devoted exclusively to the industry. Bringing together the global seafood community from seafood, logistics, refrigeration/freezing to packaging, processing machinery and much more.

The website attracts everyone from those who catch fish to those that eat it. Access over two thousand companies worldwide for FREE without having to log on. Not only will this simplify your search, but also entice greater traffic to the site.

Promoting your product or service on www.fishthenet.net ensures maximum exposure and can help generate business from as little as £99 per year.

Fish The Net and the Yorkshire and Humber Seafood Group have teamed together to help promote the industry in the region. Fish The Net is offering businesses in the region a 25% discount when advertising on www.fishthenet.net. For all enquiries relating to this offer, e mail sales@fishthenet.net, quoting YHSG.

Companies worldwide can

take advantage of a 10% discount which ends 30th September, by quoting FDL.

Fish The Net is also working alongside Mission Multi Media helping to promote companies in a multi media format. Producing corporate DVD's and internet movies for a wide range of companies, Mission's lucrative clients include Quayside Distribution, Cool Blue Box Company Ltd, Atlantic Fresh Ltd and more.

For multimedia promotions visit www.fishthenet.net to view an exciting gallery of Mission's current clients. All enquiries made through the website will also receive a fantastic discount. Don't miss out, visit www.fishthenet.net today and complete the Mission Multi Media enquiry form.
